Let's talk Monday at 3 PM. I will send out a call in number and invite. Ray, Liz, Stephanie and I conferenced today. Ray is fine proceeding without him on Monday. On Monday's call I would like to talk about the CAG mtg agenda and flood response.

We have plenty to talk about. I have been in response to Sandy for the past month. I would like to add Cynthia Mellon to the Monday call since she and I worked together on residential and facility issues.

As for agenda topic possibilities:

- CPG lower 8 proposal
- Newark removal update
- 10.9 update
- technical assistance request
- NRRB
- flood response

Thanks Ray, it might be helpful to have a quick chat to prepare for the meeting both for the CPG and for storm-related questions that will arise. The following times work for me:

Monday afternoon 1 to 5  
Tuesday afternoon 1 to 5  
Wednesday late afternoon

any of those times work for folks?

thanks,  
Doug

Hello everyone

Carol spoke to Dave Kluesner and it seems like its not realistic to expect a discussion of 10.9 in December so that we would go with our Plan B Agenda which would be to meet on our regularly scheduled date in Newark on December 6th to discuss:

1. the CPG's presentation of their alternative and the EPA's response to that alternative.
2. As well as a discussion of post Sandy updates related to the River.

Ray can you confirm your availability to be present on December 6th to respond to CPG plans  
and

Dave can you be present that day to talk about Sandy efforts on Passaic?

I'm assuming the CPGs can make their presentation

Thanks!
